

EPD Stakeholder Meeting Watershed Protection Branch Discussion of Possible Future Rule Changes

The Georgia Environmental Protection Division (EPD) Watershed Protection Branch is conducting a stakeholder meeting to discuss the possible future rule changes. The meeting will be held on February 27, 2015 from 9:00 am to 11:00 am at the EPD Tradeport Training Room located at 4244 International Parkway, Suite 116, Atlanta, GA 30354.

The purpose of this meeting is to inform and solicit input from the public and impacted organizations regarding possible changes to the Rules for Dam Safety, Chapter 391-3-8, and to discuss associated changes to EPD's Safe Dams Program.

EPD's primary goals and objectives are to ensure that stakeholders are given the opportunity to understand the process of rule revisions and the scope of the possible future rule changes that are under consideration. EPD will also listen to comments and address stakeholder questions.

Please note that registration is required (no fee) in order for us to ensure that there is adequate seating for interested attendees. If the meeting fills up, EPD may hold an additional, duplicate meeting on the afternoon of February 27. You may register for the meeting at the following link:

<http://geco.georgiaair.org/eventregistration/EventDetails.aspx?eventid=46>

If a second meeting on the afternoon of February 27 is scheduled, it will be announced on the following website:

<http://epd.georgia.gov/development-possible-changes-rules-dam-safety>

Handouts that will be discussed or reviewed during the stakeholder meeting are also available at this website. Please print out the handouts and bring them to the meeting.

EPD is accepting feedback from stakeholders on these issues through March 20, 2015.
